SUBJECT: PERKINELMER OPTOELECTRONICS, REQUEST FOR ADDITIONAL
INFORMATION CONCERNING APPLICATION FOR COMPANY NAME
CHANGE, MAIL CONTROL NO. 574114

Dear Mr. O'Brien:

This refers to your company name change amendment request dated December 6, 2010. In order to continue our review, we need the following additional information:

1. In accordance with 10 CFR 30.33, we need a copy of your specific license authorizing possession and use of radioactive material from the State of Massachusetts to reflect the change of your company name.
2. The new licensee contact and telephone number(s) to facilitate communications.
3. Any changes in personnel having control over licensed activities (e.g., officers of a corporation) and any changes in personnel named in the license such as radiation safety officer, authorized users, or any other persons identified in previous license applications as responsible for radiation safety or use of licensed material. The licensee should include information concerning the qualifications, training, and responsibilities of new individuals.
4. An indication of whether the transferor will remain in non-licensed business without the license.
5. A complete, clear description of the transaction, including any transfer of stocks or assets, mergers, etc., so that legal counsel is able, when necessary, to differentiate between name changes and transferring control.
6. A complete description of any planned changes in organization, location, facility, equipment, or procedures (i.e., changes in operating or emergency procedures).
7. A detailed description of any changes in the use, possession, location, or storage of the licensed materials.
