To Whom It May Concern:

I am writing this letter to request an amendment to our two licenses. In the past Tim Deckman served as Radiation Safety Office, but has since left our company. I am requesting that Tim Deckman's name be replaced by the name of Adam Smith. Mr. Smith received the same certification training from RAM Services as Mr. Deckman on August 18-21, 2008.

Please amend our two licenses such the the name Adam Smith replace the name Tim Deckman wherever it may occur on the license. Please make this amendment application to both of Montesino Technologies' licenses. The licenses are numbers 07-30963-01 and 07-30963-02G. Thank you for your assistance in this matter.
