Subject: ACT: SUBMIT HARD COPIES OF LICENSES THAT LISTS CYNTHIA TINDALL, PHARM D AS AN ANP

Importance: High

Gerard:

I am trying to complete the technical review of your response dated November 1, 2010, to my request for additional information dated October 22, 2010.

You requested to add Cynthia Tindall, PharmD as an ANP and you listed several Agreement State Radioactive Materials License numbers that supposedly listed Ms. Tindall as an ANP; however, the States of Ohio & Kentucky could not confirm the listing of Ms. Tindall as an ANP on the license numbers referenced in your response dated November 1, 2010.

In order to list Ms. Tindall as an ANP, please submit a copy of the States of Ohio & Kentucky license on which she was/is named as an ANP. In addition, please note that the training and experience for the proposed ANP must have been obtained within the 7 years preceding the date of application or the individual must have had related continuing education and experience since the required training and experience was completed.

Upon submittal of the requested information, I will continue review of your new license application.
