Comments:

E - Additional Insured Definition:
Any other person or organization with respect to his legal responsibility for covered damages or covered environmental cleanup costs because of bodily injury, property damage or environmental damage caused by the nuclear energy hazard.
(does not include as an insured the United States of America or any of its agencies, except the Tennessee Valley Authority)

GE-Hitachi Global Laser Enrichment LLC is included as an Additional Insured under the existing site ANI policies due to the omnibus definition of insured within the policies.

The GE-Hitachi Global Laser Enrichment LLC uranium enrichment facility is to be built within the ANI insurance policy site boundary and as such coverage will exist under the policies currently providing the coverage for the existing Global Nuclear Fuel – Americas, L.L.C. Fuel Fabrication facility in Wilmington, NC.
