

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

January 20, 2011

PARTICIPANT: INDUSTRY-DESIGNATED LICENSEE REPRESENTATIVES

SUBJECT: SUMMARY OF DECEMBER 16, 2010, MEETING WITH INDUSTRY-DESIGNATED LICENSEE REPRESENTATIVES TO DISCUSS CYBER SECURITY PLAN RECORDS RETENTION

On December 16, 2010, a Category 2 public meeting was held between the U.S. Nuclear Regulatory Commission (NRC) and industry-designated licensee representatives at NRC Headquarters, One White Flint North, 11555 Rockville Pike, Rockville, Maryland. The purpose of the meeting was to discuss cyber security plan records retention requirements. A notice for this meeting was issued on December 3, 2010, and is available in the Agencywide Documents Access and Management System (ADAMS) at Accession No. ML103360236. A list of participants and attendees is provided as an Enclosure.

The NRC staff and the industry representatives presented information on the meeting topics. The NRC staff's slide presentation can be found in ADAMS under Accession No. ML103550533. The industry representatives' slide presentation and meeting handout can be found in ADAMS under Accession Nos. ML103550537 and ML103550543, respectively.

The staff from the NRC's Office of Nuclear Security and Incident Response presented background information on the applicable regulatory requirements related to the meeting topic. The industry representatives provided their perspective on the issue.

Following the presentations and discussion, industry personnel and members of the public were offered the opportunity to provide questions and comments. Several members of the public were in attendance and some also participated by telephone. Public Meeting Feedback forms were not received.
