United States Nuclear Regulatory Commission Region III, Materials Licensing 2443 Warrenville Road, Ste 210 Lisle, IL 60532-43521

Re: Amendment to NRC License No. <u>21-26540-01</u> Mid-Michigan Cardiology Associates, P.L.C.

ATTN: To Whom It May Concern:

We would like to amend our current NRC license to reflect the following changes.

- 1. We request approval to add the following authorized user: **Chandler G. Veenhuis, D.O.**, for use of 35.100 and 35.200. He was listed as an authorized user on NRC license #21-18979-01, Tawas St. Joseph Hospital.
- 2. Please add the use of 35.100 and 35.200 without limitation, As Dr. Veenhuis meets the criteria for this use. Our current license is limited to cardiovascular use only.
- 3. We will not be using PET radionuclides on this license.
- 4. We are also requesting a name change from **Mid-Michigan Cardiology Associates, PLC** to **Premier Medical Clinics**. Please note, there will be no change in the ownership, governance, or control. Our mailing address will remain the same.

We appreciate your assistance with this amendment.

If you have any questions or require additional information, please contact our physics consultant, Laura Luna at 734-662-3197.

Sincerely,

Administrator Dr. E. G. Raj
