Subject: [WARNING: MESSAGE ENCRYPTED]SP Drat RAI response
Attachments: DWG 100-C-0001 Rev. E.pdf; Draft SP RAI response 122210.pdf

Hi Matt,

Attached is the draft response to the Security Plan RAIs. The RAI response includes an 11x17 drawing (revised Figure 3) and the CTA calculations at the end. The DWG file is the full sized version of what is the revised Figure 3. Password for both attachments are the same.

I thought we had completed this step but realized yesterday we hadn't so the official SP response won't come to you next week as I had planned unless of course NSIR reviews this draft response and are tickled pink about it.
