RE: St. Lucie Units 1 and 2
Docket Nos. 50-335 and 50-389
Licensee Commitment Regarding-
Request for Exemption from Certain Requirements
of the Fitness for Duty Rule for Managing Fatigue

By letter L-2009-217 dated October 16, 2009, as supplemented by letters L-2010-051 dated March 11, 2010, L-2010-206 dated September 16, 2010, and L-2010-292 dated December 10, 2010, Florida Power and Light Co. (FPL) requested an exemption from certain requirements of the Fitness for Duty Rule for Managing Fatigue. Specifically, the letters requested exemption from certain specified requirements of Part 26 during preparations for severe weather conditions (i.e., tropical storm or hurricane force winds) and the recovery from severe weather conditions.

On December 16, 2010, the NRC requested FPL to commit to maintain certain information discussed in the referenced correspondence above, in site procedures. The attachment to this letter documents the FPL commitment.

If there are any questions regarding this request, please contact Ken Frehafer at (772) 467-7748.

Sincerely,

A handwritten signature in black ink that reads "Richard L. Anderson".
