Dear Ms. Weidner:

I have attached a letter sent to Regina Dallago, Christiana Care project manager for the construction project that includes the new Nuclear Medicine suite, from Gordie Bennet, project manager for Wohlsen Construction, the general contractor for these renovations. Mr. Bennett verifies in his letter that the lead shielding installed in the Nuclear Medicine suite is in accordance with the shielding design provided to us by Marc A. Felice, MS, DABR.

If you have any questions about my response, or need any further information, please contact me at either of the numbers listed above. I can also be reached at [jsolge@christianacare.org](mailto:jsolge@christianacare.org).

Thank you very much.

Sincerely,
