Dear Mr. Miller:

It has come to our attention that Amendment No. 20 to NRC License No. 21-20250-01 contained an error. The name of your facility in Item 1 of your NRC license showed Community Memorial Hospital, however, in your application for renewal dated June 23, 2003, showed the named of your facility as Cheboygan Memorial Hospital. After consultation with you, it was determined that the correct name of your facility should be Community Memorial Hospital d/b/a Cheboygan Memorial Hospital and that the name change was not a result of a change of Ownership or control. Therefore, enclosed is a corrected copy of your NRC license with the correct name in Item 1.

We apologize for any inconvenience this may have caused you. If you have any questions, please call me at 623-214-5213.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in cursive script, appearing to read "James R. Mullauer", is written over the typed name.
