Re: Notification and Request for Consultation and Participation in the Scoping
Process for the Environmental Review of the Victoria County Station Early Site
Permit Application.

Dear Sir:

Thank you for your letter dated on November 9, 2010, regarding the Notification
and Request for Consultation and Participation in the Scoping Process for the
Environmental Review of the Victoria County Station Early Site Permit Application.

Thank you for advising us about the proposed action. The Kickapoo Nation
values its traditions and customs so we appreciate your taking the time to ask for our
input in this matter. By keeping the lines of communication open we can peacefully co-
exist yet attend to our respective businesses.

We do not have any objection or opposition to your project as we are unaware of
any tribal sites in this area, therefore it does not affect our interests in any way. The
Kickapoo Traditional Tribe of Texas wishes you success in your endeavor.

Should you have any further comments please do not hesitate to contact us.
