Manny,

I left you a v-mail on this. To better accommodate the need to have LiveMeeting participation by a couple of our contractor staff during the audit, today we decided to move the audit venue to the Hampton Inn. This change does not adversely affect your staff as it simply means they no longer have to travel from the Hampton at all for audit participation. We will still have a tour bus and mini-vans available for site tours departing from the Hampton.

Best.

Rick
