Paul,

Thanks for the update on the fax number. The Harris environmental RAI letter has been reviewed by OGC and, if possible, I will see if it can be faxed to your office today. However, it may not occur until Monday. I would like to see if we can discuss the contents Monday afternoon before it is officially signed out.

Don and Doug:

We have moved to another building across the street this week, so there is a new Fax number that can best reach me if you need to fax something.

The new Fax number is **(919) 546-2470**.

If you can't reach me to confirm a Fax, you could try confirmation thru Dana Rose at 919.546.2496.

Thanks,

Paul Snead
