NRC Docket No: 70-7015

Subject: Foreign Ownership, Control, or Influence (FOCI) Information – Update to  
Standard Practice Procedure Plan (SPPP) for Non-Possessing Facility Clearance

AREVA Enrichment Services (AES) is providing an update to the Standard Practice Procedure Plan (SPPP) submitted in Reference 1, which requested a non-possessing facility clearance for AES. This update provides the information requested and updates the FOCI previously submitted in 2008. Other EREF License Application documents affected by this updated FOCI, namely the Environmental Report (ER), Safety Analysis Report (SAR), and the Fundamental Nuclear Material Control Plan (FNMCP), will be revised in Rev. 3 of the License Application.

Enclosure 1, designated as security-related sensitive unclassified non-safeguards information (SUNSI), contains the completed Information for Licensee Contractor Non-Possessing Facility Clearances form, the revised SPPP Appendix 1, Certificate Pertaining to Foreign Interests, and the revised SPPP Appendix 2, Owners, Officers, Directors, and Executive Personnel (OODEP).

If you have any questions regarding this submittal, please contact me at (508) 573-6554.

Respectfully,

A handwritten signature in cursive script that reads 'J. A. Kay'.
