

VOID SHEET

TO: License Fee Management Branch

FROM: RIII - James R. Mullauer

SUBJECT: VOIDED APPLICATION

Control Number: 573968

Applicant: Spectrum Health Hospitals

License Number: 21-00243-06

Docket Number: 030-01989

Date Voided: 1/7/10

Reason for Void: The reviewer spoke to the FSO, Bruce Hasselquist, Ph.D., who stated that letter dated November 22, 2010, was a notification only, not an amendments request. The notification process is built into his NRC license that whenever a visiting physician proctors an authorized use for microsphere brachytherapy, he needs to provide a notification to the NRC. Therefore this action is voided and no changes are needed.
