Subject: 2010 Annual Site Inspection and Monitoring Report for Uranium Mill Tailings
Radiation Control Act Title I Disposal Sites

To Whom It May Concern:

Enclosed are four copies of the *2010 Annual Inspection and Monitoring Report for Uranium Mill Tailings Radiation Control Act Title I Disposal Sites*. The report covers the annual inspections of the 19 Title I disposal sites managed by the U.S. Department of Energy.

This report is submitted in compliance with the reporting requirements set forth in 10 CFR 40.27, and each inspection was conducted in accordance with the inspection and monitoring requirements contained in the Long-Term Surveillance Plan for each site.

All of the sites remain in compliance with license requirements. In 2010, there were no corrective actions performed at any of the sites and no follow-up or contingency inspections were required; no conditions occurred that threatened the integrity of the disposed materials. A list of all non-routine activities conducted in 2010, along with a table summarizing all site actions and issues, is presented in the Executive Summary for your convenience.

Please call me at 970-248-6197 if you have comments or questions.

Sincerely,

Tracy Plessinger
Acting Team Leader
