Re: Resignation of Timothy H. Trumbull as RPI Reactor Critical Facility Director.

Dear Sir:

This letter notifies you that I have resigned my position as Director of the RPI Reactor Critical Facility effective January 7, 2011. In accordance with our Technical Specifications, the Dean of Engineering has appointed Dr. Sastry Sreepada to assume the duties of Director.

I will continue to be associated with the facility as the instructor for the Critical Reactor course and maintain my Senior Reactor Operator license.

Sincerely,

Dr. Timothy H. Trumbull, Director
L. David Walthousen Laboratory
RPI Reactor Critical Facility

Cc:

Dr. David V. Rosowsky,
Dean of Engineering

Dr. Yaron Danon, Chairman
RPI NSRB

Dr. Peter Caracappa
RPI Radiation Safety Officer

Dr. Tim Wei, Chairman
Dept. of Mechanical, Aerospace, and Nuclear Engineering

Mr. Jason Thompson, Operations Supervisor
