RE: Application for New License- Response to Deficiencies

**Control Number: 573750**

Dear Mr. Torres,

In response to your email of October 28, 2010. We offer the following responses:

1. Check for amount of \$200 to cover deficiency is enclosed.
2. Inventory of our portable gauges is shown in attachment.
3. We will implement and maintain the "operating, Emergency, and Security Procedures" described in the errata sheet to Appendix H of NUREG-1556, Volume 1, Revision 1, and provide copies of these procedures to all gauge users and at each job site.

Thank you for your assistance in expediting this matter. Please contact me if you require additional information.

Sincerely,

Maghsoud Tahmoressi, PE  
RSO and President
