The Center for Cancer Center – Control No. 573886

Dear Dr. Gabriel:

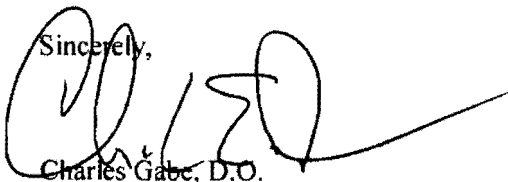

Reference is made to your letter dated December 3, 2010 re: The Center for Cancer Care, Consent to Transfer License, Control No. 5738896, to The Center for Cancer Care, attn: Charles Gabe, D.O., wherein you advised that the U.S. Nuclear Regulatory Commission did not object to the transfer of the referenced license pursuant to the transaction described in the letter, dated November 9, 2010, from The Center from Cancer Care to you.

We are pleased to confirm that the transaction (as described in the above-referenced letter, dated November 9, 2010) closed on December 31, 2010. Therefore, we kindly request that the U.S. Nuclear Regulatory Commission issue an amendment to License No. 47-25296-01, reflecting West Virginia Radiation Therapy Services, Inc., as the new licensee.

As stated via email, we would like to confirm that there is no change in the mailing address for this license.

Should you have any questions, please feel free to contact us at any time.

Sincerely,

Charles Gabe, D.O.
