Rick

Mohammad directed me to you. I'm the environmental PM for the Turkey Point Units 6 & 7 COL application. I was contacted by We the People, an organization with which I suspect your familiar. Their central area of interest relates to substandard or counterfeit parts. They asked for a contact here at HQ with whom they could talk. The contact is:

Bill Reeves
850-907-0600
Bill.reeves@wtpus.org

Bill is the counsel in their Tallahassee office. Can you contact him? He indicated that there was information they wanted to provide to NRC regarding their concerns.

I'll be out of the office tomorrow, but back on Monday.
