Dear License Reviewer,

03029521

Please amend our Radioactive Materials License # 07-27897-01 Cardiology Consultants, P.A., Cardiac Diagnostic Center located at Pike Creek Sports Medicine Building, 3105 Limestone Road, Suite 201 Wilmington, Delaware 19808-2151. Please break down the license in the following manner. The Limestone Road, Silverside Road and Middletown sites (A,B,D) will be transferred to Christiana Care Health Services; the Forrest Avenue and North DuPont Highway sites (C,G) will be transferred to Bayhealth Medical Center; and the King's Highway and Atlantic Avenue sites (E,F) will remain on the current license. These sites will then become Cardiology Consultants of Southern Delaware, LLC.

- We wish to transfer the following locations on Radioactive Materials License #07-27897-01 (Transferor) as noted above and be included as an area of use on the following Radioactive Materials Licenses: **07-12153-02, Christiana Care Health Services (Transferee) Room 1127- MAP2, 4755 Ogletown-Stanton Road, Newark, DE 19718; and NRC #07-14850-01, Bayhealth Medical Center-Kent General Hospital (Transferee) 640 South State Street, Dover, DE 19901.**

1. On March 14, 2011, **Christiana Care Health Services, (Transferor)** is purchasing the following sites:

A. Cardiac Diagnostic Center, Pike Creek Sports Medicine Building, 3105 Limestone Road, Suite 202, Wilmington, Delaware;
B. Cardiac Diagnostic Center North, 3521 Silverside Road, Concord Plaza-Quillen Building, Suite 1-A, Wilmington, Delaware;
D. Cardiac Diagnostic Center-Middletown, 114 Sandhill Drive, Suite 203, Middletown, Delaware

574336

The purchase of the Transferor will be considered "as is". If any further information is needed please call *Christiana Care Health Services contact person, Joseph F. Solge, Jr., RSO at (302)623-3822.*

There will be no changes in personnel or duties at either facility with regards to the licensed program.

All current activities (organization, location, facilities, and equipment) that fall under the radioactive materials license will remain unchanged.

574334

NMSS/RGN1 MATERIALS-002

- o Surveys, wipe tests and other quality control will remain unchanged and survey procedures will be consistent with license conditions. All sources will remain in place or in storage as currently used by the Transferor.
- o There will be no decommissioning of (Transferor). We are not closing or stating disposition of sources.
- o All license conditions will be maintained at all facilities and will fall under the jurisdiction of the Transferee.

2. **On February 28, 2011, Bayhealth Medical Center-Kent General Hospital (Transferor)** is purchasing the following sites:

C. 1100 Forrest Avenue, Dover, Delaware;

G. 802 North DuPont Highway, Milford, Delaware

The purchase of the Transferor will be considered "as is". If any further information is needed please call **Bayhealth Medical Center contact person and Radiation Safety Officer, Martin Begley, M.D. at (302)744-7000.**

574332 There will be no changes in personnel or duties at either facility with regards to the licensed program.

All current activities (organization, location, facilities, and equipment) that fall under the radioactive materials license will remain unchanged.

- o Surveys, wipe tests and other quality control will remain unchanged and survey procedures will be consistent with license conditions. All sources will remain in place or in storage as currently used by the Transferor.
- o There will be no decommissioning of (Transferor). We are not closing or stating disposition of sources.
- o All license conditions will be maintained at all facilities and will fall under the jurisdiction of the Transferee.

The removal of these sites from R.A.M. License #07-27897-01 should be processed concurrently with adding to Christiana Care Health Services and Bayhealth Medical Center R.A.M. licenses.

The date of transaction is pending for the King's Highway and Atlantic Avenue sites. The name of these sites will then become **Cardiology Consultants of Southern Delaware, LLC.**

Cardiology Consultants, P.A. requests to transfer of **Radioactive Materials License #07-27897-01** to Cardiology Consultants of Southern Delaware, LLC. If any further information is needed please call **contact person and Radiation Safety officer, Barry S. Denenberg, MD at (302)645-1233.**

**F. 16704 King's Highway, Lewes, Delaware; and
E. 35141 Atlantic Avenue, Unit 3, Millville, Delaware**

This transfer should be considered "as is"

There will be no changes in personnel or duties at either facility with regards to the licensed program.

All current activities (organization, location, facilities, and equipment) that fall under the radioactive materials license will remain unchanged.

- o Surveys, wipe tests and other quality control will remain unchanged and survey procedures will be consistent with license conditions. All sources will remain in place or in storage as currently used by the Transferor.
- o There will be no decommissioning of (Transferor). We are not closing or stating disposition of sources.
- o All license conditions will be maintained at all facilities and will fall under the jurisdiction of the Transferee.

If you have any questions or need any further information, please contact Cardiac Diagnostic Center Manager, AnnMarie Messick at (302)994-6500 X2415 or our radiation physicist, Jack A. Olley @ 717-468-1400.

Sincerely,

Philip C. Chapman
