MEMORANDUM AND ORDER
(Transcript Corrections)

Noting that there were transcript formatting issues, in a January 28, 2011 issuance the Licensing Board provided the parties with additional time to submit proposed transcript corrections relative to the January 25, 2011 evidentiary hearing. The Board has continued to work with the reporting service to address those issues, and now anticipates that a transcript will be available for party review by later today or early tomorrow. Consequently, any proposed transcript corrections should be provided on or before Monday, February 7, 2011.

It is so ORDERED.
