Rulemakings and Adjudications Staff

Subject: Comments 10 CFR Part 73 RIN 3150-A125 (NRC-2008-0619)

Having reviewed the draft rule and public comments provided by other facilities and the National Organization of Test, Research, and Training Reactors (TRTR), I would like to provide input on the proposed 10 CFR Part 73 Rulemaking (NRC-2008-0619) as published in the Federal Register Vol. 75 No.138 - Tuesday, July 20, 2010.

I support the comments submitted by TRTR (NRC-2008-0619-0019) and ask that we be joined to those specific comments for resolution.

I appreciate the opportunity to provide comment on this important proposal.

Thank you.

Stephen G. Frantz
