Subject: Responses to Requests for Additional Information on Decommissioning Plan Chapters 10 and 12 (License No. SNM-00033, Docket No. 070-00036)

Reference: 1) NRC (J. J. Hayes) letter to Westinghouse (E. K. Hackmann), dated December 1, 2010, "Westinghouse Hematite Decommission Plan Review Requests for Additional Information for the Decommissioning Plan Chapters 10 and 12"

Reference 1 issued NRC Requests for Additional Information (RAI) concerning the Hematite Decommissioning Plan (DP) Chapters 10 and 12. Responses to those RAIs are submitted herein.

Attachment 1 provides responses to the Reference 1 RAIs, including an explanation of anticipated changes to the DP. The actual changes to the DP will be provided under separate cover.

Note that four HDP plan documents were inadvertently left out of the DP Chapter 8 and 9 response letter (Westinghouse letter to NRC HEM-10-137 dated January 24, 2011). The four plans are included as Attachments 2 through 5 to this letter.

Please contact Mark Michelsen, Acting Licensing Manager of my staff at 314-810-3376 should you have questions or need any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "E. Kurt Hackmann", is written over a light blue horizontal line.

E. Kurt Hackmann
Director, Hematite Decommissioning Project
