**PILGRIM WATCH REQUEST REGARDING PRB'S DECISION TO HOLD PILGRIM
WATCH'S 2.206 PETITION CONCERNS RELATED TO INACCESSIBLE CABLES IN
ABEYANCE (JANUARY 4, 2011)**

Pilgrim Watch filed *Pilgrim Watch 2.206 Petition Regarding Inadequacy of Entergy's Management of Non-Environmentally Qualified Inaccessible Cables & Wiring at Pilgrim Station*, July 19, 2010 and a Supplement, August 6, 2010. We were subsequently informed that the petition was accepted and would be placed on the Federal Register.

In the interim Pilgrim Watch, a party to Entergy's License Renewal Application for Pilgrim Station's adjudication procedure filed a Request for a New Hearing regarding Inaccessible Non-EQ Cables (December 13, 2010).

We were informed by Richard Guzman that the PRB determined (January 4, 2011) that due to Pilgrim Watch's 12/13/10 filing of a license renewal contention on Inaccessible Non-EQ cables, that Pilgrim Watch's 2.206 petition concerns related to inaccessible cables will be held in abeyance until an outcome of the contention is made under the Pilgrim license renewal hearing process.

Pilgrim Watch believes that there is a very clear distinction between current operating issues of the plant that occur before Pilgrim's 40th birthday, a present safety concern, and

Pilgrim Watch's contentions¹ in Pilgrim's license renewal application that deal with the sufficiency of the Aging Management Program going forward from 2012 to 2032.

In summary, we understand that the 2.206 process addresses present safety concerns; and the license renewal adjudication process addresses future safety concerns, specifically the adequacy of the AMP. Pilgrim Watch believes it would be appropriate to have a teleconference with the PRB to discuss this distinction.

The second issue of concern is that Pilgrim Watch does not believe that under NRC regulations that Intervenors in the license renewal process automatically surrender their rights to redress on current operating safety issues. If there is such a regulation, we would appreciate your providing a copy or citation to us.

We appreciate your consideration and look forward to your response.

Respectfully Submitted,
