Subject: RAI (574264) dated 2/3/2011

(NOTE: This will be used as the
Documents Title in ADAMS)

In the letter dated 1.14,11, Nanticoke requested the addition of a number of 35.100/35.200 AUs, a change in RSO, and the one 35.400 AU. Based on the documentation provided, the 35.100/35.200 AUs and the RSO change may be completed at this time. The addition of the 35.400 AU may not be completed based on the fact that the preceptor form was signed by a physician who is not authorized for 35.400 (Dr. DeMasi). I discussed this with M. LaRagione and she misunderstood that Dr. Owens could not sign the preceptor form. M. LaRagione will contact Dr. DeMasi to see;

- (1) if he has been listed on another license for 35.400 materials, or
- (2) get a copy of his board certificate and an appropriately signed preceptor form, or
- (3) get a preceptor form with the T&E pathway completed.

Therefore, the 35.100/35.200 AUs and the RSO change will be completed at this time and they will submit Dr. DeMasi's information at a later date.
