Daniel Galmarini signed the license transfer request and current amendment request on behalf of WVRTSI management. Greg agreed that Daniel should be considered the management contact. I informed Greg that correspondence to Daniel will be sent to the mailing address on the license, not to the Florida address for 21<sup>st</sup> Century Oncology/RTSI.

I asked if correspondence should be copied to Dr. Gabe, who co-signed the current amendment request. Greg said that Dr. Gabe stepped down as medical director, and Dr. Becki Sue Hill is now the medical director.
