Subject: RE: NRC Groundwater Meeting

Matthew

I just want to make sure of logistics. As I read the invite below, you've already established a bridge line for people to call in. I'm expecting a lot of folks from the public and other agencies to listen in. Is there any limit on the number of lines for this bridge? (For planning purposes, I had been planning to have at least 40 lines available.)

Andrew Kugler
Sr. Environmental Project Manager
NRC/NRO/RAP2
