Ok

I thought so, maybe they are just slow.

I have the copy that you sent to me and have had that one for a few days now.
I'll follow up with the DCD…thanks

Janelle – Yes, we mailed the original to the DCD, as well as the three copies. These were put into regular US mail, so it went into the mail on 5/7 and should have been delivered around 5/10, including your US mail copy. We did the same for the May 13 letter.

Dave,

Did you submit this letter to the DCD as well? I'm only asking b/c I have not heard anything from them about profiling it to be added into ADAMS.

Janelle – Attached is an advance copy of the Exelon letter to the NRC, NP-10-0007, dated May 6, 2010, documenting the acceptance review call commitments discussed with Jay Lee and Michelle Hart yesterday.

Please let me know if any additional information is needed.

Thanks.
