Bob,

I received the information referenced below from Amy Dierolf (9 CDs). I would like to request that the information be provided to the NRC under oath and affirmation.

Thanks,

Doug

Good afternoon, Jamie:

This is a request that PEF provide one set each of the CDs of the seven notebooks for the jurisdictional determinations/delineations of the transmission lines and substations, which were provided to me, to each of the following three recipients. The purpose of the request is to provide this information to the NRC and USFWS to aid in the ESA review of the Levy project. Any questions, please give me a call.
Thanks, Don
