Janelle – I had one extra set of the DVDs, so I included it in the FedExp package being sent to you tonight for delivery tomorrow morning. So you should be receiving two sets of the data file DVDs, along with your copy of the transmittal letter, that you can use to give to the NRC staff reviewers.

Thanks.

Janelle – The Exelon letter to the NRC transmitting the input/output files for the VCS ESPA hydrology analyses was signed out today (NP-10-0025, dated November 9, 2010). I have FedExp your copy containing one set of the data files (two DVDs) to you for delivery tomorrow morning.

The original is being mailed to the Document Control Desk with two sets of DVDs (one for the PDR and one for NRC staff use), and the remaining cc's are being mailed to the designated individuals.

Thanks.
