Dear License Reviewer:

Cardiology Associates, P.C. ("CAPC") is the owner of certain assets used in the operation of its cardiology and vascular surgery practice (the "Practice") with offices located in Maryland and the District of Columbia. Effective February 14, 2011, Cardiology Associates, LLC ("CALLC"), a limited liability company providing medical services in furtherance of the charitable mission of MedStar Health, Inc. ("MedStar"), will purchase certain assets of CAPC, to enable CALLC to operate the Practice as part of MedStar's integrated delivery system (the "Asset Purchase"). These assets will include certain equipment currently licensed by the U.S. Nuclear Regulatory Commission, pursuant to license number 08-23376-01.

In connection with the Asset Purchase, all personnel including the nuclear technologists, Radiation Safety Officers and reading physicians will remain the same and will be employed by CALLC. Similarly, the current members of the CAPC Board of Directors will serve on the Board of CALLC along with three additional members. The locations, facilities, equipment and procedures will all remain the same.

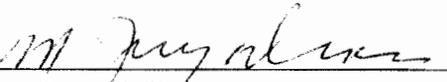

Additionally, the surveillance program and quality controls will continue to be administered in accordance with the current procedures and those standards outlined in CAPC's radioactive materials application. Similarly, CAPC records will be transferred to, and become the property of, CALLC and the facilities will not be decommissioned.
