Mr. Michael Greeno, Regulatory Affairs Manager
Honeywell International
Honeywell Metropolis Works (MTW)

SUBJECT: Acknowledgement – Honeywell Metropolis Works Configuration Changes for 2010

Mike,

We received your submittal dated January 19, 2011 that addresses the Honeywell Metropolis Works Configuration Changes for 2010. An NRC review will be performed and any fees associated with this review will be charged to TAC number L32765. We anticipate completing our review by May 2011. If you have any questions, please contact me directly.

Thanks,

Kevin
