I haven't seen the letter and do not know who it was assigned to. I'll ask Brad about it. Joan

FYI - from today's E-Reader (not sure why it took so long to appear):

Tab C - Letter from J. Block and S. Ander, concerns the release of the ISL GEIS, NUREG -1910.

SECY assigned it to OGC for a direct reply due on Thursday, but I wanted FSME to have awareness. Hopefully, you've already seen it.

Thanks,
Alison
