Jim,

I would just use the scheduling assistant and send an e-mail with a meeting request to Brad (and the other folks) for the meeting Wednesday morning. Brad is out of the office today and tomorrow, but he sometimes checks his e-mail. Joan

**Importance:** High

Joan,

As I discussed with you earlier this week, Patty Bubar, Andrea Kock and I would like to meet with you and Brad Jones about the NEPA issues I sent to you last week. These address issues we have before us as we work on the first three in-situ leach SEISs we are preparing that will tier from the GEIS.

It appears that Tuesday the 8th is a full day for Brad, so could we schedule for 9am on Wednesday the 9th? It appears to be open on your, Brad's, and Andrea's schedules, and Patty and I will have to tie on via phone as we'll be out of the office. Please see that we can get on Brad's calendar at that time.

If that particular time doesn't work on Wednesday, could you propose another time on Wednesday for this meeting?

Thank you,  
Jim
