Hi Andrea,

Thanks for the appreciation. I always enjoy working with you.

On other news, I hope to get the draft MOU for the Areva Site to Brad today for his review. I'll also attend the Dec. 2nd meeting on internal NEPA WG with Andy Pessin and AREVA meeting with Carrie. Joan

Brad: You likely heard that Charlie Miller signed the MOU with BLM on NEPA work for UR sites today. This finalizes the MOU.

I wanted to thank you for Joan's support on the MOU. She was a crucial part of ensuring that the MOU moved forward and that it contained the appropriate language to make the MOU useful and legal for the agency. She attended every meeting, wrote the majority of the MOU, and offered solutions to issues where the agencies had differences of opinion.

Thank you for Joan's support.
