These redlines look fine to me. Can you incorporate in preparation and redistribute to those who will participate in the June 29th call?

I am attaching a redline version of the draft MOU that was in circulation at the time of our June 10 meeting, with Karen Hawbecker's and my suggested revisions. I will be out of the office from June 23 until July 8, and Karen will be out of the office for periods of time after that. Please include both of us on future emails so whichever of us is here will be up-to-

date. Thank you!
