**RE: 37-30850-01 License amendment**

Request to have Christopher Van Nostrand added as an additional Reviewing Officer for license number 37-30850-01. In addition, I would like to have him added as a Named user on the license. Chris has over 600 hours of hands on training in repair and preventative maintenance on various makes and models of irradiators including but not limited to J.L. Shepherd and Associates, Best Theratronics (formerly Nordian) and Phamalucense (formerly CIS). In addition to on the job experience he has had training in health physics, instrument calibration, leak test, surveys, shielding calculations, safety system analysis and safe operation of devices. Christopher has over 2200 hours of supervised experience with me at various job sites including Nuclear Power Plants.

Sincerely,

Doyle Terry Stout

Radiation Safety Officer
