NRC-03-09-089 Modification No. 007 Page 2 of 2

The purpose of this modification is to (1) provide incremental funding in the amount of \$58,500.00, thereby increasing the obligation and ceiling amount from \$501,019.80 to \$559,519.80, and (2) incorporate clause 52.232-19, Availability of Funds for the Next Fiscal Year (Apr 1984)

Accordingly the first sentence of sections B.2 (2) and (b) are deleted in its entirety and substituted with the following in lieu thereof:

B.2 Consideration and Obligation – Labor Hours (Jun 1988)

Sec. 30

0955 Jak

(a) The total estimated amount (ceiling) of this contract for full performance is \$559,519.80.

(b) The amount presently obligated with respect to this delivery order is \$559,519.80

C.24 52.232-19 Availability of Funds for the Next Fiscal Year (Apr 1984)

Funds are not presently available for performance under this contract beyond September 24, 2011. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond September 24, 2011, until funds are made available to the Contracting Officer for Performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer

The summary of NRC obligations to date is hereby as follows:

Total Cumulative Amount	\$559,519.80
FY 09 Obligation Amount FY 10 Obligation Amount FY 11 Obligation Amount	\$70,000.00 \$390,019.80 \$116,500.00

This modification does obligate funds in the amount of \$58,500.00; and are subject to the available of FY' 11 funding; with all other terms and conditions remaining unchanged.
