Subject: Exelon Nuclear Texas Holdings, LLC
Victoria County Station Early Site Permit Application
Hydrology Audit Information Needs Response – Site Digital Elevation Map Data
NRC Docket No. 52-042

In response to NRC Information Needs Item No. 1c, identified during the NRC Hydrology Audit conducted on November 30, 2010 and December 1, 2010, Exelon is providing the enclosed Victoria County Station (VCS) site digital elevation map data (metadata files) discussed with NRC staff during the audit. The site digital elevation map data are provided as electronic files in the enclosed disk. This digital elevation map data includes the VCS site and surrounding areas, including watershed areas.

If any additional information is needed, please contact David J. Distel at (610) 765-5517.

I declare under penalty of perjury that the foregoing is true and correct. Executed on the 8th day of February, 2011.

Respectfully,

Marilyn C. Kray
Vice President, Nuclear Project Development
