RE: Invitation to be a consulting party in the proposed renewal project area 4 miles north of Crawford, in Dawes County, Nebraska.

Dear Mr. Camper:

Thank you for submitting the referenced project proposal for our review and comment. Our comment on this project and its potential to affect historic properties is required by Section 106 of the National Historic Preservation Act of 1966, as amended, and implementing regulations 36 CFR Part 800.

Given the information provided, the Pawnee Nation has no known historic properties that would be affected by the project as proposed. Therefore, in accordance with 36 CFR 800.4(d) (1), you may proceed with the project(s) as planned.

The State of Nebraska is historic hunting and homelands of the Pawnee, and we would like to participate as a consulting party, with respect to the other tribes that may also have interest and still remain in that particular area.

Please retain this correspondence and your documented finding in order to show compliance with Section 106 of the National Historic Preservation Act, as amended. If you have any questions please do not hesitate to contact our office at (918) 762-3654 Ext. 24.

Sincerely,

Alice A. Alexander
