In the Matter of
CROW BUTTE RESOURCES, INC.
(License Amendment for the North Trend Expansion Project)
Docket No. 40-8943; ASLBP No. 07-859-03-MLA-BD01

Dear Administrative Judges:

In its Order dated March 5, 2009, the Atomic Safety and Licensing Board ("Board") directed the NRC staff ("Staff") to tender each month a status report advising as to whether the estimated dates for issuance of the final Safety Evaluation Report ("SER") (predicted for the late summer of 2009) and the final environmental review document (predicted for December of 2009) have changed.¹ The Staff expects to issue the SER by April 2011. The Staff estimates that it will issue the final environmental review document by May 2011.

In keeping with the Board's mandate, the Staff will tender its next monthly status report by March 16, 2011.

Respectfully submitted,

Executed in Accord with 10 CFR 2.304(d)

Brett Michael Patrick Klukan
Counsel for the NRC Staff
