Attn: Document Control Desk

SUBJECT: Application for Renewal of Certificate 9228

Reference: USNRC Certificate of Compliance No. 9228 Rev. 24, Docket Number 71-9228

GE-Hitachi Nuclear Energy Americas, LLC ("GEH") holds Certificate of Compliance No. 9228 (Revision 24) for the Model 2000 Package, which is scheduled to expire on May 31, 2011.

GEH respectfully request the certificate be renewed under the provisions of 10CFR71.38. The current operating procedures, acceptance tests, and maintenance programs for the Model 2000 Package have been reviewed and no changes are required since the previous submittal dated January 19, 2007. GEH understands that by submission of this request, the reference Certificate is in a "Timely Renewal" status.

Please contact our Technical Contact, Mr. Charles R. Hill at 925-862-4290 or the undersigned should the Department have any questions regarding this transmittal or require additional information.

Sincerely,

Donald R. Krause
