Subject: Transmittal of Draft NEI 11-03, "Emergency Preparedness Frequently Asked Questions Process," Revision 0, March 2011

Project Number: 689

Dear Mr. McDermott:

The Nuclear Energy Institute (NEI) has developed a preliminary draft of NEI 11-03, "Emergency Preparedness Frequently Asked Questions Process" (EPFAQ), Revision 0.

This preliminary draft is being provided in advance of the March 1st NRC public meeting to facilitate an informed dialog on the proposed EPFAQ process during the meeting. The purpose of the EPFAQ process is to provide an organized forum for licensees and the NRC to resolve generic questions concerning the implementation of emergency preparedness requirements.

Mr. Brian J. McDermott
