Dear Mr. Blubaugh,

MARSSIM is acceptable to count towards the Radiation Safety Officer refresher training specified in Regulatory Guide 8.31.

Regards,

Ronald A. Burrows

Subject: RSO / RST Training

Mr. Burrows:

We are evaluating training opportunities available to us in order to maintain our RSO certification. At the January 2011 workshop, Linda Gersey indicated that MARSSIM training would be acceptable for radiation technician training. Will it be acceptable for RSO training?
