Dear License Reviewer,

Per NUREG-1556, Vol.15 Appendix F, the following information is being provided to request a transfer of control between :

Transferee: Boone Hospital Center Materials License No. 24-01565-01

Transferor: MCS-ODS, LLC Materials License No. 24-32061-01

Name of contact person if more information is needed: Liesje Myers, RSO 573-815-3729

1. MCS-ODS, LLC is proposing a merger with Boone Hospital.

After the merger, MCS-ODS, LLC (currently doing business as Missouri Heart Center) will be known as Boone Hospital Cardiac Diagnostic Center. Boone Hospital Cardiac Diagnostic Center will continue to perform outpatient nuclear cardiology scans. There will be no change in location, imaging equipment, procedures performed, isotopes utilized, or staffing as a result of the merger.

2. There will be no changes in personnel or duties. Authorized Materials, Authorized Uses, Authorized Users and the Radiation Safety Officer will remain the same as listed on Materials License No. 24-01565-01. Certified nuclear medicine technologists will continue to provide services under the supervision of listed Authorized Users.
3. Facilities, floor plans and equipment located at Boone Hospital Cardiac Diagnostic Center will remain the same as currently described in MCS-ODS, LLC Materials License No. 24-32061-01. After the merger, Boone Hospital will request that their current License No. 2401565-01 be amended to add Boone Hospital Cardiac Diagnostic Center as an additional location of use of Authorized Materials. The address for the additional location of use will be 1605 East Broadway, Suite 400, Columbia, Missouri 65201.
4. Current equipment quality control, security of licensed materials, area monitoring and wipe tests will not change. Receipt, storage, use and disposal of radioactive material will be in compliance with 10CFR Part 35 Regulations and NUREG 1556, Volume 9, Rev. 2. The transferee accepts all responsibility for the radiation safety program at Boone Hospital Cardiac Diagnostic Center following the merger.

Boone Hospital Center will maintain an occupational dose monitoring program for Boone Hospital Cardiac Diagnostic Center by providing dosimetry badges for personnel working with licensed material. Radiation protection principles will continue to be followed to achieve occupational doses and doses to members of the public as low as reasonably achievable.

5. All records of receipt, storage, use and disposal (in house decay) of licensed material will be transferred to the transferee. Required records of quality control, area monitoring, wipe tests, and occupational dose records will also be transferred to the transferee. The transferee accepts responsibility for maintaining all records in compliance with 10CFR Part 35 regulations.
6. The transferor (MCS-ODS, LLC- Missouri Heart Center) will abide by all of the constraints, commitments, conditions and requirements of Boone Hospital Center's current Materials License # 24-01565-01.

I, Allen Goree, Chief Executive Officer of MCS-ODS, LLC, agree to give full control of licensed materials to Boone Hospital Center once the merger has been finalized. Upon transfer of control, the name of the location of use will change to Boone Hospital Cardiac Diagnostic Center. Boone Hospital Cardiac Diagnostic Center will abide by all of the constraints, commitments, conditions and requirements of Boone Hospital Center's current NRC Materials License No. 24-01565-01. If granted permission to transfer control, MCS-ODS, LLC (d.b.a. Missouri Heart Center) will submit a written request to terminate their current NRC Materials License No. 24-32061-01.

Allen Goree, MHA CMPE  
CEO, MCS-ODS, LLC

I, Dan Rothery, President of Boone Hospital Center, agree to accept full ownership and responsibility for licensed material currently under the transferors control following a proposed merger. As a result of the merger, the name of the location of use will change to Boone Hospital Cardiac Diagnostic Center. Boone Hospital will gain ownership and control of licensed material and have the authority and responsibility for the security, storage, use and disposal of licensed material currently under the transferors control. If granted permission to transfer control, Boone Hospital center will submit an amendment request to add Boone Hospital Cardiac Diagnostic Center as an additional location of use on their current NRC Materials License No. 24-01565-01.

Dan Rothery
