RE: Authorized User Amendment

Dear Sophie:

Enclosed please find the letter to the NRC for the removal of authorized users on your NRC license. The following steps need to be taken for completion.

1. Review carefully and be sure all information is correct. Retype or copy cover letter onto your facility letterhead.
2. Have executive management (VP or higher) sign the letter and type their name below their signature.
3. Make two (2) copies. These will go to the NRC. **Keep the original and file in the blue, MPC, license binder in the nuclear medicine department.**
4. Mail both sets of the signed copies to the following address: **Federal Express or U.P.S. is advised.**

(sign all three, send in 2 copies and keep one for us)
