Subject: IAEA-NS-IRRS-2010/02 - Mission Report: Integrated Regulatory Review Service (IRRS) to the United States of America.

Dear Mr. Borchardt,

Please find attached the final report (IAEA-NS-IRRS-2010/02) of the Integrated Regulatory Review Service mission, which was carried out from 17 to 29 October 2010 in Washington D.C., United States of America. The final report summarizes the conclusions of the experts who participated in the review.

The report forms an official submission by the IAEA to the Government of the United States of America.

The report in its present form is restricted to the authorities concerned, the contributors to the report and the responsible IAEA staff. However, as it may be of interest to other organizations and individuals, we would appreciate it being derestricted. The report will be automatically derestricted unless a response to the contrary is received from the Government of the United States of America within 90 days of transmittal of this letter.

Please do not hesitate to contact us, should you have any questions or comments regarding the report and its recommendations.

Yours sincerely,

Denis Flory
Deputy Director General
Head of the Department of Nuclear Safety
