Subject: NMFS Consultation

Hi Drew,

I am following up with you on our letter dated March 1, 2011. Specifically, in that letter, we notified the NRC of our intent to participate in the formal consultation process with NMFS conducted pursuant to the Endangered Species Act. We also requested expeditious consideration of a 45-day extension of the consultation process--which otherwise closes on March 16--as we were not informed of its initiation until very recently.

As we have yet to hear back from the NRC regarding our request for extension, we are assuming it has been granted unless we are otherwise notified today. Please give me a call or send me a responsive message at your earliest convenience.

Thanks.
