Re: U.S. NRC Radioactive Materials License number 24-32517-01

NRC Representative:

This letter is to notify you that the following individual will be joining our practice immediately, as authorized medical physicist for Ir-192 high dose rate afterloading brachytherapy.

Nicholas J. Schneiders, M.S

Please note that he was previously listed in our NRC License, as authorized user under Amendment no.5.

We also request to include his name under new amendment since he is expected to work with us longer than 60 day period.

Thank you.

Sincerely,
